# Nisarg Electronics

<https://www.indiamart.com/nisargelectronics/>

We are the best Manufacturer, Trader, Exporter and Distributor of various types of Home UPS, Microcontroller Based Servo Controlled Stabilizer, Microcontroller Based Automatic Stabilizer, Constant Voltage Transformer, Voltage Converter etc.

## About Us

Established in the year **1999**, **Nisarg Electronics** is a well known firm in the industry, highly engrossed as Manufacturer, Trader, Supplier, Exporter and Distributor of a wide range **Home UPS, Microcontroller Based Servo Controlled Stabilizer, Microcontroller Based Automatic Stabilizer, Constant Voltage Transformer, Voltage Converter, Electronic Transformer** and **Electronic Choke**. These categories further includes **LCD Home UPS, Online UPS, Digital Display Voltage Stabilizer, Servo Controlled Voltage Stabilizer, Automatic Voltage Stabilizer with Digital Display, Automatic Step Up Voltage Stabilizer, Step Up Voltage Converter, Step Down Voltage Converter, Single Phase Transformer, Isolation Transformer, Auto Transformer, Three Phase Transformer, Potential Transformer** and **Current Transformer**.

The entire products that we offer are highly appreciated in the industry for its features such as high efficiency, reliability, shock proof, short circuit protection and durability. These items are developed utilizing top quality raw material and current technology in conformity with global quality standard.

# HOME UPS

Home UPS

LCD Home UPS

Online UPS

# ELECTRONIC TRANSFORMER

Single Phase Transformer

Auto Transformer

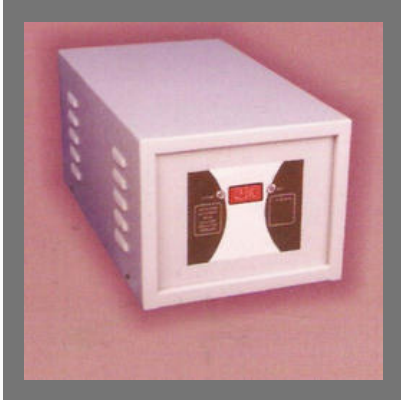

Three Phase Transformer

Potential Transformer

## OTHER PRODUCTS:

Digital Display Voltage Stabilizer

Servo Controlled Voltage Stabilizer

Automatic Voltage Stabilizer with Digital Display

Automatic Step Up Voltage Stabilizer

## OTHER PRODUCTS:

Constant Voltage Transformer

Step Up Voltage Converter

Step Down Voltage Converter

Current Transformer

# Factsheet

Year of Establishment : 1999
